Pastor's Corner

Dear Brothers and Sisters in Christ,

Our prayers are with our parishioners who have evacuated and we want to serve you! Please contact the parish office if you have been displaced and need support.

Volunteer Opportunities and The Latest News for Our Community

Our clergy and staff at St. Dominic's are actively communicating and working along side the larger faith community of Benicia to respond to these emergency situations. Last week parishioners began supporting the efforts started by Northgate Christian Church on Lake Herman Road. It became apparent Northgate had the space and infrastructure to support a fast and mobilized operation. We are supporting their efforts with donations and volunteers, so please join us! All donations and efforts are going to evacuation centers in Santa Rosa, Napa, and American Canyon. I, along with several parishioners, school families, SDS teachers and students went there this week and so much was being accomplished. We prepared meals and lunches for first responders, loaded trucks, brought supplies and even drove to evacuation centers. Thank you to those that jumped in when school was closed and found a way to serve at every level.
Our own St. Dominic's charitable ministries such as St. Vincent de Paul, the Knights of Columbus, and Catholic Social Services are organizing for the next level of support and long term care for those in our surrounding communities. You can offer support today by stocking our pantry or making a financial donation.

We have created a **Fire News & Updates Page** on our church website for all of the latest needs for donations, news, and how your family can help or find support. Visit **http://www.stdombenicia.org/fire**

We will continue to send email updates through our Email Newsletters and the most immediate news is always shared on our **St. Dominic's Facebook Page.** This content changes frequently as we are updating in real time when we receive word back from our volunteers at the various locations.

As you can see this bulletin is exceptionally brief, in light of this week's events and the need for our staff to respond and reschedule several programs this week, we suspended the normal production. Please look for our email updates, the calendars on our website or call our office if you are not sure of the latest scheduling.

God bless you,
Fr. Jerome
