A Note from Fr. Brad

Dear Brothers and Sisters in Christ,

As many know, the Western Dominican Province has had a long- standing relationship with the Polish Dominican Province so that much interprovincial exchange takes place between the two provinces. As a result, we are pleased to welcome Fr. Łukasz Kubiak, O.P. to St. Dominic's in Benicia California to serve as a priest here throughout the month of June.

Fr. Łukasz was born in Poland in 1975 and, immediately following his completion of high school, he entered the Polish Dominican Province in 1994 at the young age of 19. While in the order, Fr. Łukasz studied Philosophy and Theology and also, quite interestingly, Psychotherapy. He made solemn religious profession in 2000 and was ordained to the priesthood in 2001.

He is thrilled to have this opportunity to serve as a priest in the U.S. and gain greater facility in English language ministry. He loves Benicia and is overwhelmed by the warmth and kindness with which the community here has embraced him and made him feel right at home. Not only does he love Benicia but, in his own words, "Benicia loves me!" Please say hello if you haven't already.

God Bless,

Fr. Brad

INTO THE BREACH!

We live in a time of crisis for religious faith that must be met by all with a heartfelt embrace. Of special need is the "fatherhood" role of masculine virtue once more prominent in our society. This weekend, June 15th & 16th after all the Masses, our Knights of

Columbus Fr. Vilarrasa Council #7268 will be giving-a-way **FREE** a mini-book, **"Into The Breach"**, to all men of the parish in honor of **Fathers' Day**. This book is for **ALL CATHOLIC MEN**, not necessarily Knights or fathers, and will show you how you can fill the "breach" in today's Church by your everyday activity and example. Happy Father's Day!

St. Vincent de Paul's School Children Summer Healthy Snack Project

Once school is out, many children who would have had lunch provided at school will go without over the summer. Please donate nonperishable healthy snacks for school-aged children: single-serving apple sauces, granola bars, fish crackers, instant oatmeal, microwave mac & cheese, juice boxes, etc. Please help us to provide for those in Benicia who cannot provide for themselves.

To get involved or if you have questions

Thank you and God Bless!

As we celebrate the mystery of the Trinity we also realize the mystery of how much God loves and cares for us each day. Believing in this our lives can then overflow in thanksgiving and praise. During May, you generously provided food for 56 households serving 185 family members, and helped 60 other neighbors with rent, utility and other assistance.

Thank you for your support of SVdP.

TRINITY SUNDAY

The two weeks immediately following the celebration of Pentecost hold special importance in the life of the Church. This weekend we celebrate the Solemnity of the Most Holy Trinity. The following weekend we celebrate the Solemnity of the Body and Blood of Christ also known as Corpus Christi Sunday. This week we examine the celebration of the Trinity.

Although the celebration of the Trinity was originally resisted by Rome, several elements of the feast pre-date its formal institution in 1334. Special emphasis on the Trinity was emphasized during the fourth and fifth centuries in liturgies and different prayers when the "Arian" heresy swept through the Church. The core of the heresy was that it denied that Jesus was equal to God. Despite the fact that many communities celebrated the feast of the Trinity; the sentiment was not shared by the Popes of the time. Pope Alexander II is reported to have said that no particular day should be devoted to a feast about the Blessed Trinity since its commemoration is celebrated every Sunday and even daily. Subsequent Popes also opposed this feast. Yet in 1251, after visiting the Trinity Church in Kraham, Pope Innocent IV authorized an indulgence of 400 days for observing the feast. Synods around the world quickly authorized the feast in their areas. Finally in 1334 during his exile in Avignon, Pope John XXII approved the feast and extended it to the whole church.

Trinity Sunday is known as an "idea feast" since it honors not an event in salvation history but a particular aspect of doctrine in the Church. Reforms in the liturgy have reduced the number of idea feasts showing more preference for event-centered feast days. Trinity Sunday is one of nine solemnities remaining on our liturgical calendar today that are considered "idea" feasts.

One of the most common ways that we celebrate the doctrine of the Trinity is through the action of making the sign of the cross. The action of making the sign of the cross had no words attached to it for many years. As people became more educated about the concept of the Trinity, the words that we know so well were added, "In the name of the Father, and of the Son, and of the Holy Spirit." As we celebrate the Trinity, consider this thought of Father Richard Rohr. He contends that we must remember not "who" we are, but "whose" we are. In this simple action of making the sign of the cross we mark ourselves with God's insignia. It is an outward sign of our faith. The making of the sign of the cross reminds us of "whose" we are.
